Executive DJ Sounds

We are a professional DJ Service established in 1975. Our goal has been to provide top quality music reproduction services at the most affordable price to our customers.

Weather it's a special event or your very special wedding day, we take the same pride in providing that one of a kind DJ touch that has our customers calling us back.

We use top quality reproduction equipment, Cerwin Vega, Crown, Technics, EV, American Audio just to name a few. No affair is too small or too large, we provide state of the art CD quality stereo sound.

Our music selections range from R&B, Old School, Jazz, Reggae, House & Dance Music, Calypso, Go-Go, Motown, Rock & Roll, Hip Hop, and of course The Great Oldies (50's & 60's).

COMMENT FROM A PAST WEDDING

DJ Skipp: I just want to compliment you on the excellent job you did at my sister-in-laws wedding. It was the most fun I've had at a wedding in quite a long time. As a matter of fact, I've never stayed till the end of a reception. Thank you for making their reception a memorable one. I think every one there danced at least once. I told her and I just wanted to share it with you as WELL. SO OFTEN PEOPLE MAKE SURE YOU KNOW IF THEY ARE UNHAPPY BUT FAIL TO GIVE COMPLIMENTS. I COORDINATE WEDDINGS ON THE SIDE AND WISH YOU WERE CLOSE BY. MAY GOD CONTINUE TO BLESS YOU AS YOU BRING JOY INTO WHAT EVER OCCASION WITH
